### 3. Password not matched

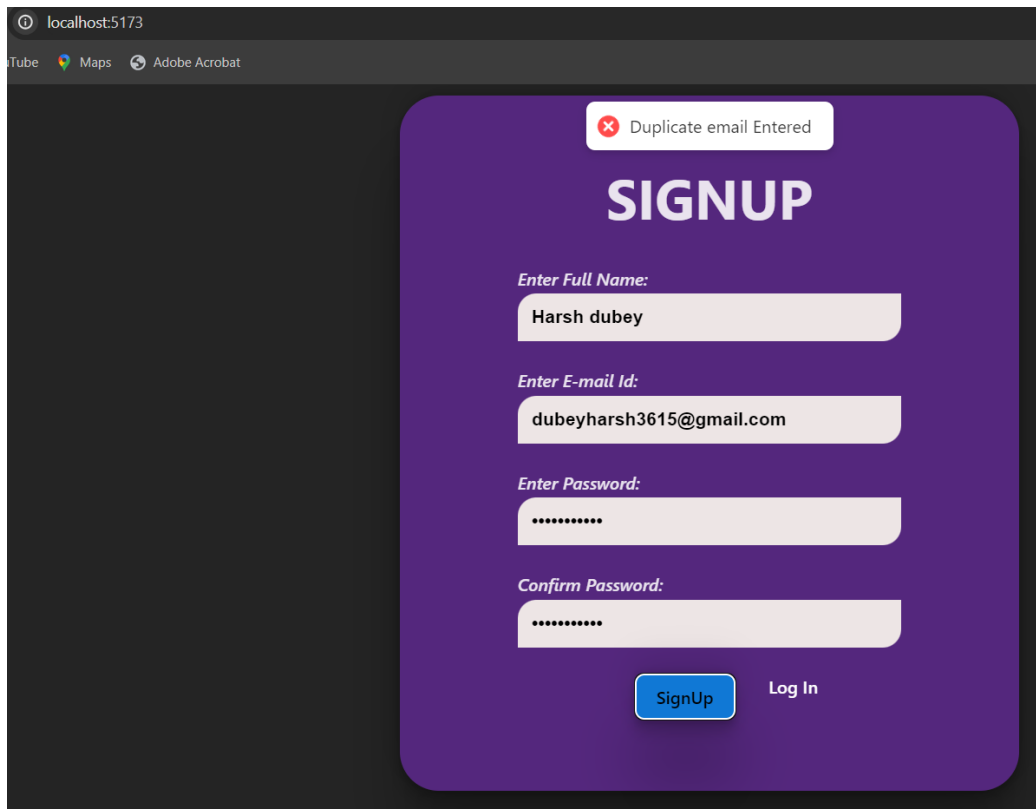

A screenshot of a web browser displaying a 'SIGNUP' form. The browser's address bar shows 'localhost:5173'. The form is set against a dark background with a purple rounded rectangle containing the form fields. At the top of the purple area, a white error message box with a red 'x' icon says 'Passwords not matched'. Below this, the word 'SIGNUP' is written in large white capital letters. The form fields are as follows: 'Enter Full Name:' with the value 'Harsh dubey'; 'Enter E-mail Id:' with the value 'dubeyharsh3615@gmail.com'; 'Enter Password:' with the value 'password'; and 'Confirm Password:' with the value 'confirm password'. At the bottom of the form, there is a blue 'SignUp' button and a 'Log In' link.

### 4. Signup successful

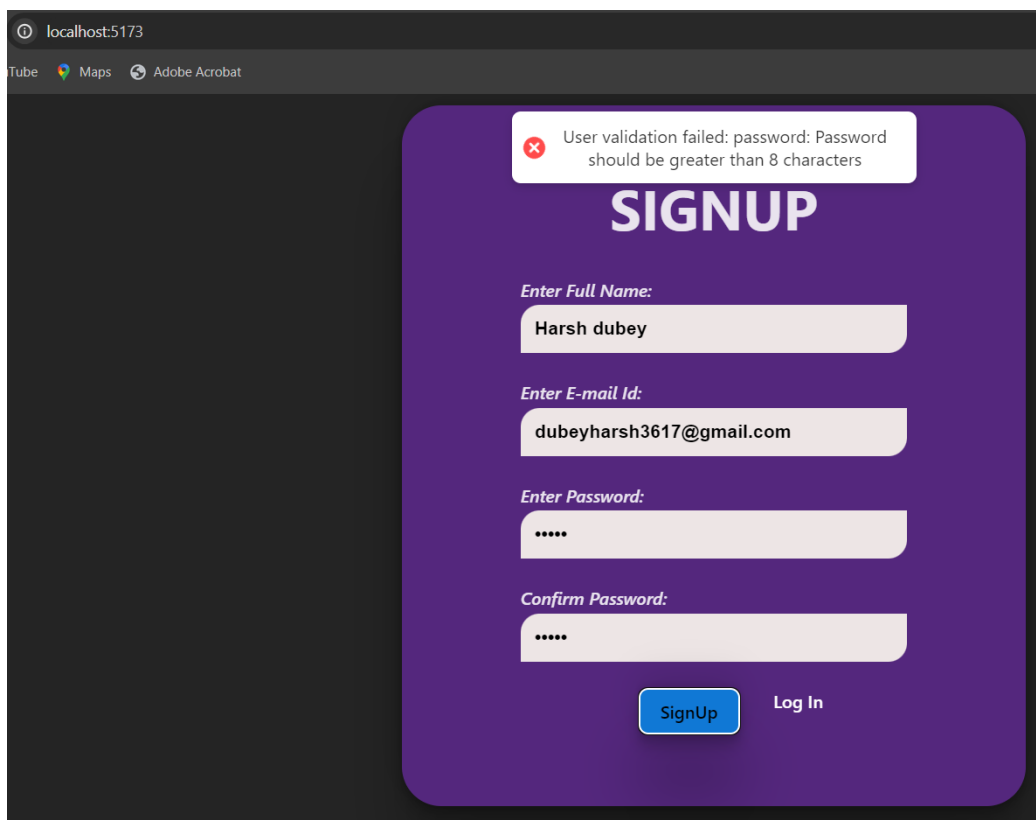

A screenshot of a web browser displaying the same 'SIGNUP' form. The browser's address bar shows 'localhost:5173'. The form is set against a dark background with a purple rounded rectangle containing the form fields. At the top of the purple area, a white success message box with a green checkmark icon says 'Signup successful!'. Below this, the word 'SIGNUP' is written in large white capital letters. The form fields are as follows: 'Enter Full Name:' with the value 'Harsh dubey'; 'Enter E-mail Id:' with the value 'dubeyharsh3615@gmail.com'; 'Enter Password:' with the value '.....'; and 'Confirm Password:' with the value '.....'. At the bottom of the form, there is a blue 'SignUp' button and a 'Log In' link.

## 5. Duplicate email Entered

A screenshot of a web browser window displaying a SIGNUP form. The browser's address bar shows 'localhost:5173'. The form is set against a dark purple background. At the top of the form, a white error message box with a red 'x' icon states 'Duplicate email Entered'. Below this, the title 'SIGNUP' is displayed in large white letters. The form contains four input fields: 'Enter Full Name:' with the value 'Harsh dubey', 'Enter E-mail Id:' with the value 'dubeyharsh3615@gmail.com', 'Enter Password:' with masked characters '.....', and 'Confirm Password:' with masked characters '.....'. At the bottom of the form, there is a blue 'SignUp' button and a 'Log In' link.

## 6. Password should be greater than 8 characters

A screenshot of a web browser window displaying the same SIGNUP form. The browser's address bar shows 'localhost:5173'. The form is set against a dark purple background. At the top of the form, a white error message box with a red 'x' icon states 'User validation failed: password: Password should be greater than 8 characters'. Below this, the title 'SIGNUP' is displayed in large white letters. The form contains four input fields: 'Enter Full Name:' with the value 'Harsh dubey', 'Enter E-mail Id:' with the value 'dubeyharsh3617@gmail.com', 'Enter Password:' with masked characters '.....', and 'Confirm Password:' with masked characters '.....'. At the bottom of the form, there is a blue 'SignUp' button and a 'Log In' link.

## 7. Invalid email or password

The screenshot shows a web browser window with the address bar displaying 'localhost:5173/login'. The browser's taskbar at the top includes icons for YouTube, Maps, and Adobe Acrobat. The login page itself has a dark background with a central purple rounded rectangle. At the top of this rectangle is a white error message box with a red 'x' icon and the text 'Invalid email or password'. Below this is the word 'LOGIN' in large white capital letters. Underneath, there are two input fields: 'Enter E-mail Id:' with the value 'dubeyharsh3615@gmail.com' and 'Enter Password:' with masked characters. At the bottom of the purple rectangle are two buttons: a blue 'Login' button and a white 'Sign Up' button.

## 8. Signin successful

This screenshot shows the same login page as above, but with a success message. The error box is replaced by a white box with a green checkmark icon and the text 'Signin successful!'. The 'LOGIN' title and input fields remain the same. The 'Login' button is now highlighted with a blue glow, indicating it is the active element.
